### •UPS GROUND

Prompt, guaranteed, low-cost delivery makes UPS Ground an excellent choice for all your routine shipments. UPS Ground reaches every address throughout the 48 contiguous U.S. States. Deliveries to commercial

addresses are guaranteed to arrive by the day promised.

### •Customers Who Do Not Receive A Daily UPS Pickup

If you request a one-time pickup, add \$3.00 per package to the rate shown.

### Need to Know:

1. **commercial:** *Commercial* refers to a business rather than a **residence** or a place where someone lives.
2. **UPS:** UPS stands for **United Parcel Service**. *Parcel* is another word for box and UPS is in the business of delivering packages around the country and around the world. **UPS Ground** is service provided by trucks on the ground rather than planes in the air or UPS Air Service.
